

# We want to hear from **YOU!**

## — New Sewer Treatment System Location —

## Join us for a chat

**Council Town Hall Q&A ~ November 23<sup>rd</sup>, 2017 from 6 to 8pm**

Meet us at the Eric Ross Room in the QC Community Hall. We look forward to seeing you there!

**We're hosting a coffee chat at Queen B's ~ November 28<sup>th</sup> from 2:30 to 4pm**

Have a coffee and muffin on us! Let us know your thoughts on the Village of Queen Charlotte's proposed new sewer treatment system location.

### A Much Needed System

The Village of Queen Charlotte is the only community on the island without a sewer treatment facility and we are taking action to change this.

### A Proposed Location

Village of Queen Charlotte Council is considering the purchase of District Lot 18, located at 4603 Martynuik Road. This 78 Acre property would allow a new sewer treatment plant to cover the majority of the municipality.

### Potential for Housing

This size of the proposed property also provides the possibility for subdividing the land and offering it for sale for residential development. This could help meet the increasing demand for housing.

### FUTURE PUBLIC INPUT EVENTS:

- Coffee Chat – January 19 from 2:30 to 4pm at Queen B's
- Open House – February 8 from 7 to 9pm at Oceanview Restaurant

**UPCOMING REFERENDUM February 24, 2018**

### LEARN MORE ABOUT THE PROJECT

office@queencharlotte.ca • 250-559-4765 Or just stop by the Village office and chat with Ben or Lori

All public input opportunity information can be found on the VQC Facebook page and full referendum information is posted on the VQC website's Current Projects Page.
